## LIFT STEEL STRUCTURE

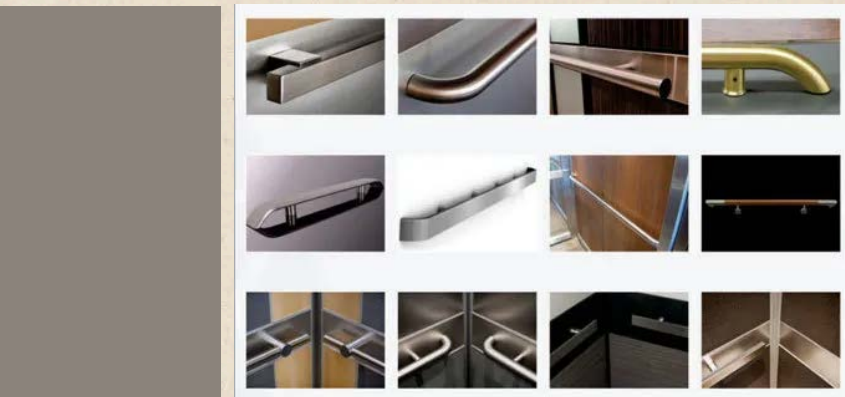

Rona excels in crafting lift steel structures that provide critical support and stability for elevators. Our structures are meticulously designed and fabricated to meet the highest safety standards, ensuring reliable performance and durability. With Rona's expertise, you can trust that your lift steel structures will be robust, efficient, and long-lasting.

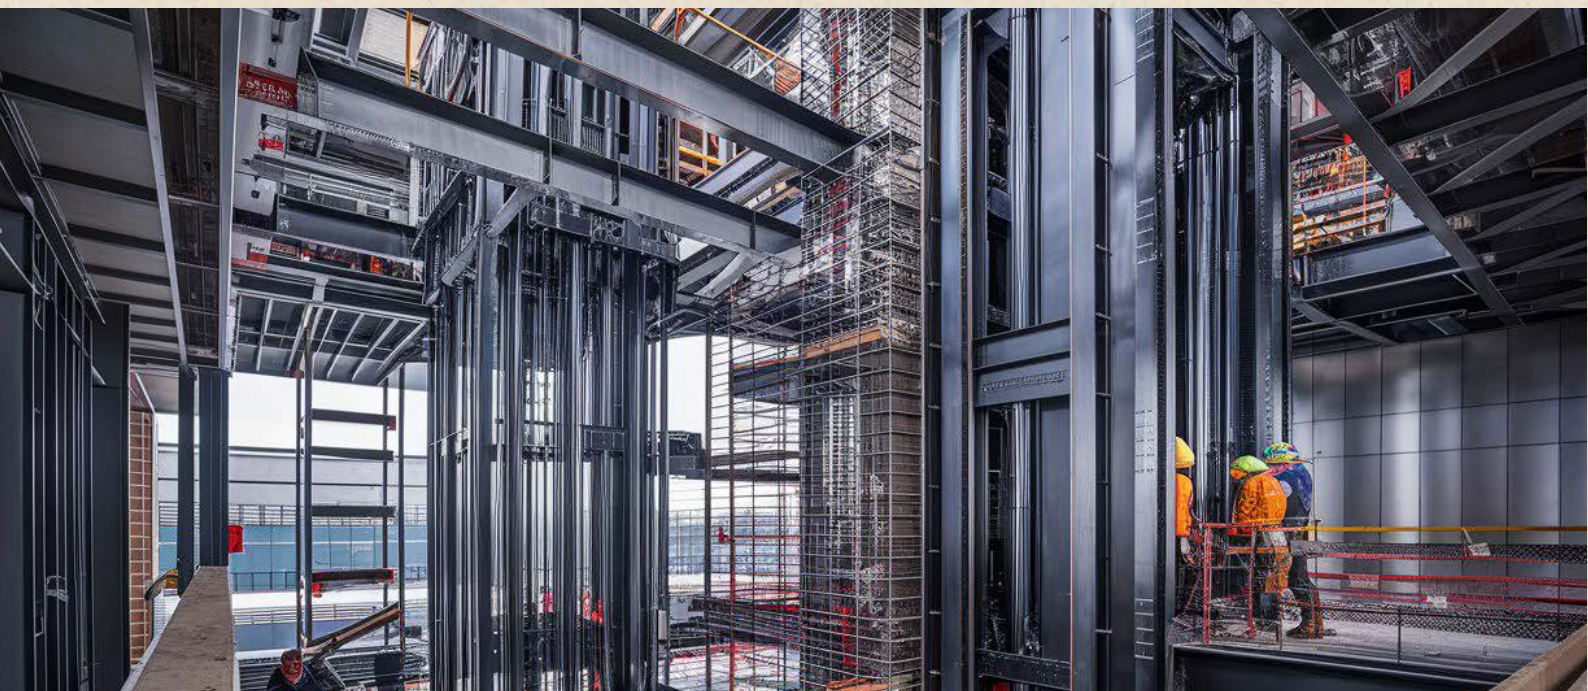

## LIFT STEEL CLADDING

Rona Steel offers high-quality lift steel cladding solutions that enhance the aesthetics and durability of elevator installations. Our cladding systems provide a sleek, modern appearance while protecting the lift structure from wear and environmental factors. With precise craftsmanship and premium materials, we deliver cladding that combines functionality with visual appeal.

## LIFT HANDRAILS

Rona Steel designs and installs durable lift handrails that ensure safety and comfort for elevator passengers. Our handrails are crafted from high-quality materials, offering a sleek and modern look while providing reliable support. With attention to detail and precision engineering, we deliver handrails that enhance both the functionality and aesthetics of your elevators.

## ELEVATOR SHAFT PARTITION BEAMS

Rona specializes in the design and installation of elevator shaft partition beams. Our beams provide essential structural support and ensure the safety and stability of elevator systems. Engineered with precision, they meet the highest standards of quality and durability, making them a reliable choice for any building project. Trust Rona for robust and efficient solutions for your elevator shaft needs.

## PARKING SHADES

Rona Steel offers premium parking shades designed to protect vehicles from harsh weather conditions. Our shades are constructed using high-quality materials, ensuring durability and long-lasting performance. With a focus on functionality and aesthetics, we provide customized solutions that blend seamlessly with your surroundings while offering reliable protection.

# GATES

Rona Steel specializes in designing and manufacturing high-quality gates that combine security with aesthetic appeal. Our gates are built from durable materials, ensuring long-lasting performance and reliability. Whether for residential, commercial, or industrial use, we offer customizable solutions to meet your specific needs and enhance your property's safety and appearance.

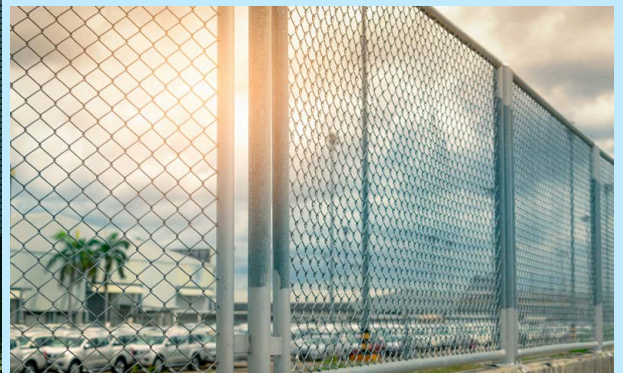

## GRILLS

## FENCING WORKS

Rona Steel provides durable and secure fencing solutions, tailored to meet your specific needs. Our high-quality fences ensure safety, privacy, and aesthetic appeal for residential, commercial, and industrial properties

## STEEL DOORS & FIRE EXIT DOOR INSTALLATIONS & SERVICE

We specialize in the installation, repair, and maintenance of steel doors, including fire exit doors and non-fire-rated doors. Our team ensures that each door meets safety standards and provides reliable performance. Additionally, we are experts in installing automatic sliding and swinging doors, offering comprehensive solutions to enhance the security and functionality of your property.

## MEZZANINE FLOOR

Rona Steel offers comprehensive mezzanine floor solutions, providing additional space and optimizing the use of your existing area. Our custom-designed mezzanine floors are ideal for a variety of applications, from storage and office space to retail and production areas. We ensure robust construction, efficient installation, and compliance with all safety standards, helping you maximize your facility's potential."

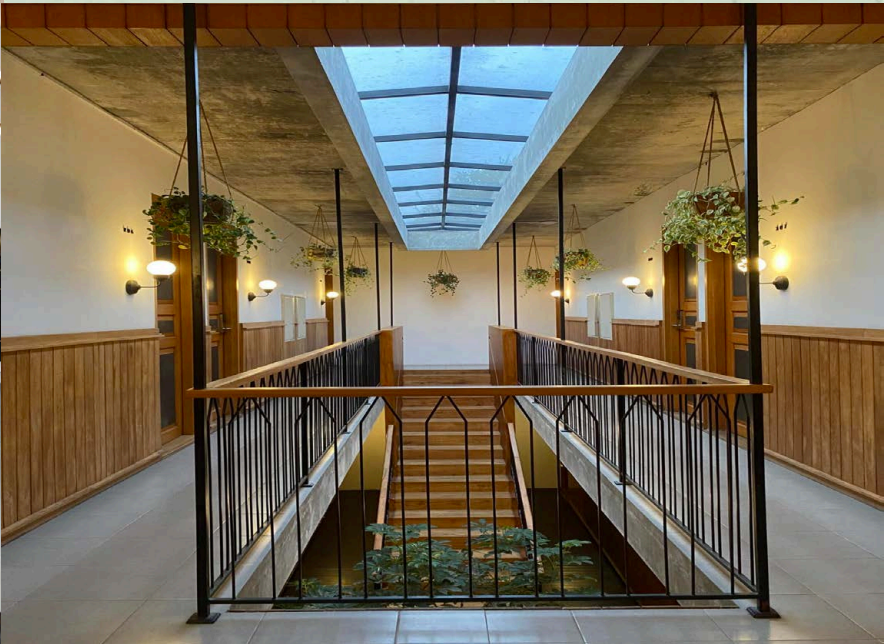

## STAIRCASES & HANDRAILS

Rona Steel designs and installs durable, stylish staircases and handrails. Our solutions ensure safety and aesthetic appeal for residential, commercial, and industrial spaces. With high-quality materials and expert craftsmanship, we deliver reliable and visually pleasing results.

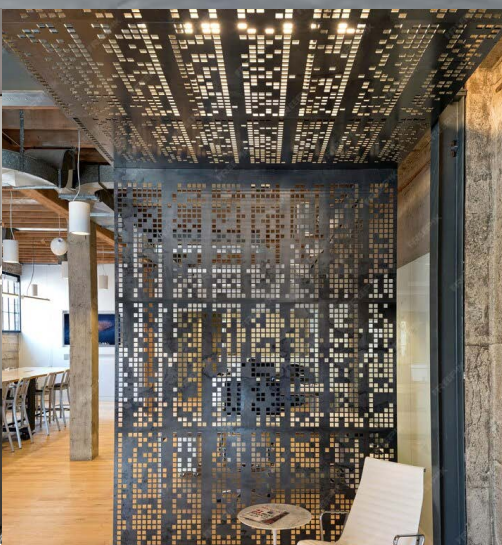

## INTERIOR DECORATIVE STEEL WORKS

Rona Steel specializes in interior decorative steel works, adding elegance and strength to any space. Our expert craftsmanship and high-quality materials ensure stunning, durable designs that enhance the aesthetic appeal and functionality of your interiors.

## STAINLESS STEEL CLADDING WORKS

Rona Steel offers premium stainless steel cladding works, providing a sleek and durable finish for your buildings. Our expert team ensures precision installation, enhancing both the aesthetics and longevity of your structures with high-quality, weather-resistant cladding solutions

## TRUSS WORKS

Rona Steel specializes in truss works, offering robust and reliable structural solutions for a wide range of projects. Our expert team designs and fabricates custom trusses to meet the specific needs of each client, ensuring optimal strength and stability. Whether for commercial buildings, industrial facilities, or special constructions, our truss works guarantee superior performance and durability, adhering to the highest industry standards.

## STEEL SHEDS & WAREHOUSES

Rona Steel offers top-tier steel sheds and warehouse solutions tailored to your storage and operational needs. Our durable, flexible structures withstand various conditions and maximize space. From design to installation, we provide customized solutions that enhance your facility's functionality. Whether a small shed or a large warehouse, our expert team ensures high-quality construction and reliable performance.

## WAREHOUSE AND SHED ROOF SHEETING AND CLADDING WORKS

Rona Steel specializes in warehouse and shed roof sheeting and cladding works, providing robust and weather-resistant solutions for your storage needs. Our expert team ensures precise installation using high-quality materials, enhancing the durability and functionality of your structures. Trust Rona Steel to deliver tailored roofing and cladding solutions that protect your assets and withstand various environmental conditions. From design to execution, we guarantee excellence and reliability in every project

## STEEL BOLLARDS

Rona Steel offers durable steel bollards, designed for superior protection and safety. Ideal for traffic control and security, our bollards are built to withstand impact and environmental conditions, ensuring long-lasting performance

FLOOR GRATINGS  
& METAL RAMPS

## Customized MS Structure Works

Rona specializes in customized MS structure works, offering tailored solutions to meet diverse industrial needs. Our expert team designs and fabricates high-quality structures using premium materials and advanced techniques. Whether it's for architectural enhancements, industrial facilities, or specialized projects, we ensure precision engineering and durability in every structure we deliver. Count on Rona for reliable, bespoke solutions that exceed your expectations."

## ALUMINUM COMPOSITE PANEL WORK

Rona Steel excels in aluminum composite panel work, delivering sleek and versatile solutions for architectural facades and interior applications. Our expert team ensures precision installation and high-quality materials, offering durability and aesthetic appeal. Count on us for customized designs that enhance the modern look and functionality of your spaces

## PERGOLAS

Rona Steel's pergolas are expertly crafted to combine functionality and aesthetic appeal. Constructed with high-quality metal, our pergolas provide durable, long-lasting outdoor structures that enhance any garden or patio. Perfect for creating shaded areas, they offer a stylish solution for outdoor relaxation, dining, or entertaining. With a focus on modern design and traditional elegance, Rona Steel's pergolas transform outdoor spaces into beautiful, comfortable retreats. Trust us to deliver exceptional quality and craftsmanship in every pergola we create

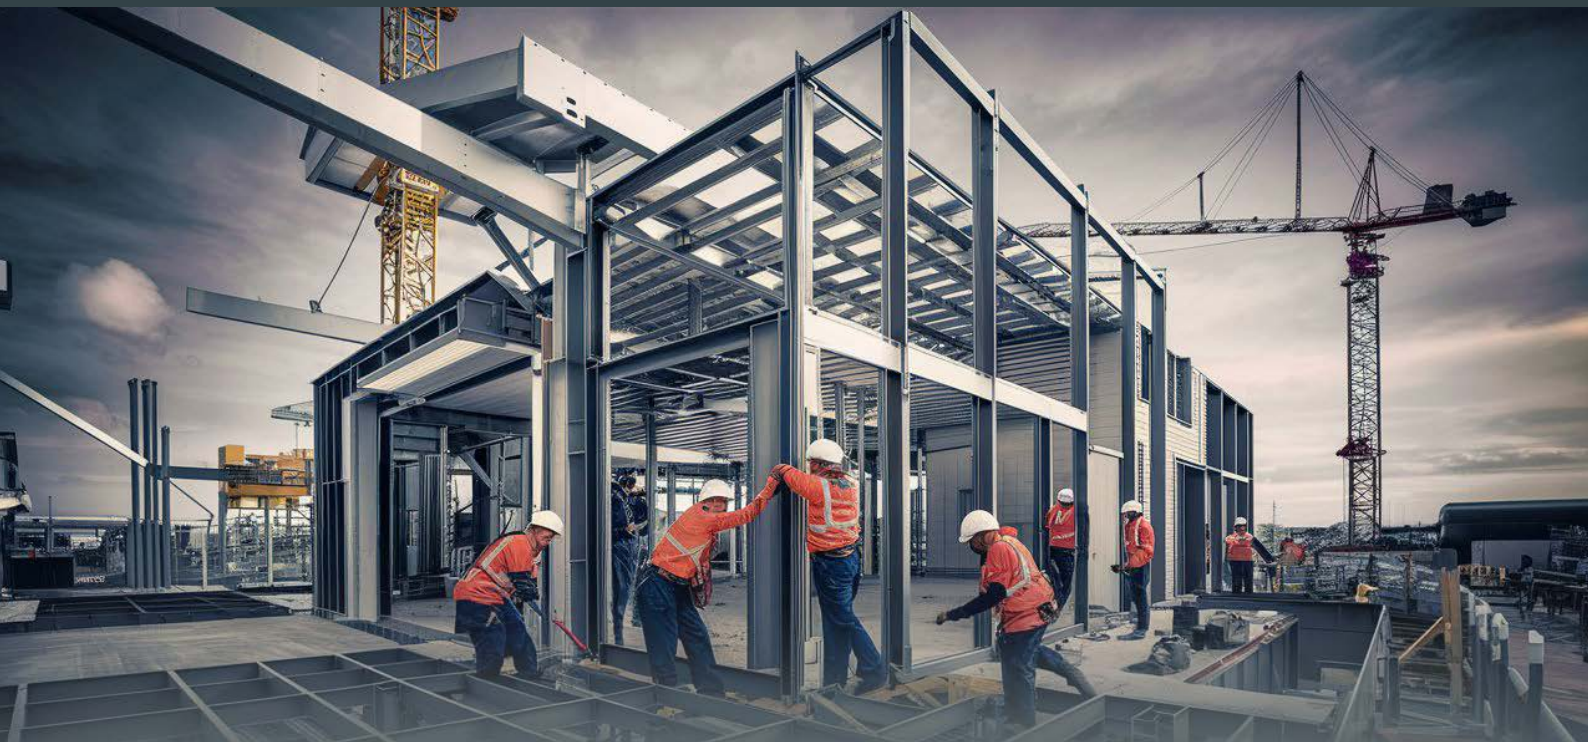

## CONVEYOR FOR LOADING

Rona Steel provides robust conveyors for loading, designed to enhance efficiency and streamline material handling processes. Our conveyors are built with high-quality materials and precision engineering, ensuring reliable performance and durability in industrial applications. Trust Rona Steel for customized solutions that optimize your loading operations.

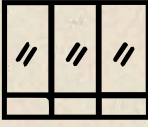

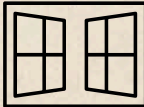

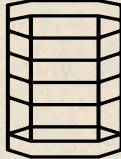

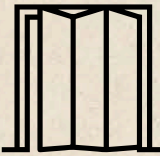

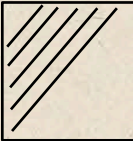

## PRE-ENGINEERED DESIGN AND ERECTION

Rona Steel specializes in pre-engineered design and erection, offering efficient and cost-effective building solutions. Our expert team provides comprehensive services from initial design to final construction, ensuring precision, durability, and speed. Whether for industrial, commercial, or residential projects, our pre-engineered structures are tailored to meet your specific needs and built to withstand various environmental conditions.

At Rona Steel LLC, our Glass Division specializes in providing comprehensive glass solutions for various applications. From doors and windows to intricate glass partitions and curtain wall facades, our offerings are designed to enhance both aesthetics and functionality. We provide custom glass works including oversized panels, skylights, sliding and folding doors, and creatively shaped glass. Our expertise extends to frosted, colored, textured, and 3D glass work, as well as antique mirrors, smart glass, and films. Our team ensures high-quality installation of glass & stainless-steel handrails, balustrade glasses, and stained and fused glass. With a commitment to precision and excellence, we also offer facade cleaning services, multiple finishing options, and reliable replacement of broken glass at various heights.

## OUR EXPERT TEAM AT RONA STEEL LLC

At Rona Steel LLC, our Glass and Metal Divisions are powered by a team of highly skilled and experienced professionals dedicated to delivering excellence in every project. Our workers bring years of expertise in handling diverse and complex assignments, ensuring precision and quality in every detail. Whether it's crafting intricate glass partitions, installing robust steel structures, or executing custom metal works, our team's proficiency and meticulous attention to detail guarantee superior results. Their in-depth knowledge of the latest industry standards and cutting-edge techniques ensures that each project not only meets but exceeds client expectations.

Our workers are not just experts in their respective fields but also committed to continuous learning and improvement. They stay abreast of the latest advancements in materials, tools, and technologies to provide innovative solutions that enhance the durability, functionality, and aesthetic appeal of our products. From initial consultation to project completion, our dedicated team collaborates closely with clients to understand their unique needs and deliver tailored solutions. At Rona Steel LLC, we take pride in the craftsmanship and professionalism of our workforce, making us a trusted partner in the glass and metal industry.

# SHOWCASING OUR ACCOMPLISHMENTS

At Rona Steel, we take pride in our diverse portfolio of completed projects that demonstrate our expertise and commitment to quality. From intricate interior decorative steel works to robust lift steel structural supports, our projects reflect precision engineering and exceptional craftsmanship. Explore some of our standout projects that highlight our ability to deliver customized, high-quality solutions tailored to meet the unique needs of our clients.

## STEEL TRADING SERVICES

Rona Steel LLC offers comprehensive steel trading services, catering to a diverse range of industrial needs. With a commitment to quality and reliability, we source and supply high-grade steel products that meet stringent industry standards. Our extensive inventory includes various steel types and grades, ensuring we can provide the right materials for your specific requirements. Partner with Rona Steel LLC for all your steel trading needs and experience unparalleled service and expertise.
