THE COMPANY

RONA ELEVATORS & ESCALATORS L.L.C is an ISO-certified company based in Dubai with branches in Abu Dhabi, Sharjah, Bahrain, and India. We provide comprehensive solutions for vertical transportation, including the supply, installation, testing, commissioning, modernization, maintenance, and repair of all types of elevators, escalators, BMUs, cradles, moving walkways, and car park systems.

OUR TRUSTED SUPPLIERS

Rona Elevators & Escalators takes pride in partnering with renowned industry leaders to ensure we deliver top-notch vertical transportation solutions. Our strategic alliances with esteemed manufacturers include

DOPPLER ELEVATORS (Greece): A European manufacturer of lift components, complete elevator systems, escalators, auto walks, and car park systems, all designed to meet European standards. Their commitment to quality and reliability aligns seamlessly with our own.

MODERN FUJI Elevators (Osaka, Japan): An industry-leading research and development and manufacturing company with a JV plant in Suzhou, China. They manufacture lifts and escalators based on Japanese advanced technology, emphasizing high quality, safety, and durability. We proudly incorporate their products into our offerings.

Rona Fuji is a trusted brand that delivers innovative and reliable elevator and escalator solutions. We offer a comprehensive range of products for vertical transportation, from high-speed elevators to energy-efficient escalators, all designed for safety, efficiency, and seamless integration into your buildings. Our commitment to quality and advanced technology ensures that each product enhances the functionality and aesthetics of your infrastructure, providing superior performance and user experience.

Our collaboration with these esteemed suppliers allows us to offer you the finest in vertical transportation solutions, backed by a commitment to quality, safety, and innovation.
